SHEET METAL & ROOFING
CONTRACTORS
SINCE 1902

RESOURCES – Staff

Most employees at Merrick-Kemper have been part of the Merrick team for many years. Everyone – in every department – makes a significant contribution to each project. Their 190 years combined service and experience are available to you for estimating, purchasing, project managing, cost accounting, and design.

RESOURCES – Facilities

Merrick-Kemper's facility includes the following:

1. Offices equipped with separate in-house computer for estimating and accounting, including a 20MB computer server system, and AutoCAD drawing system.
2. Main Facility (Industrial & Architectural): 33,000 sq. ft. & North Facility (Industrial) 19,000 sq. ft. of fabricating shops with standard equipment, including:
   a. High-Definition Plasma Auto Burning System
   b. Bending Roll machine
   c. Press Brakes
   d. Shears
   e. Variety of bending and forming equipment
   f. Boom Truck
   g. Fork lifts
3. Truck bed-height warehouse, protected by an electronic security system.
4. Six acres of graded, graveled yard for outside storage

RESOURCES – Financial

Merrick-Kemper has the financial strength to execute projects in the multi-million dollar range. Bonding via Garret-Stotz Company; primary banking with Stock Yards Bank & Trust Co. of Louisville. In addition, we have good relations with all local banking institutions.

AFFILIATIONS

SMACNA – Sheet Metal and Air-Conditioning Contractors National Association
